# JMU MARCHING ROYAL DUKES

JAMES MADISON UNIVERSITY  
DR. PAT ROONEY, DIRECTOR OF BANDS

# JMU MARCHING ROYAL DUKES

The James Madison University marching band, the MARCHING ROYAL DUKES, proudly carry the title of "Virginia's Finest." The Dukes have become recognized for their spectacular musical renditions and fast-paced drill which has thrilled spectators throughout the mid-Atlantic region. James Madison University, which has become one of the most popular of the east coast schools, has also become the home of one of America's show-piece band programs.

The Dukes have developed just as James Madison University, very rapidly during the past few years. James Madison University began playing football in 1972 after becoming a coed institution in 1967. In 1973, the first edition of the Marching Royal Dukes took the field and the rest has been a rapid climb to the top in the marching band circles. In 1982, Dr. Pat Rooney was named director of the Marching Royal Dukes. Under Rooney's leadership, the Dukes have continued their successful ascent as one of the top collegiate band programs in the East.

Their performances have included halftime shows for the Washington Redskins, Baltimore Colts, and Pittsburgh Steelers of the National Football League. In 1983 the Dukes were the featured halftime show for the National Football Conference Championship game between the Washington Redskins and the Dallas Cowboys. The Dukes have also been featured with Walt Disney Productions and have performed in Richmond for the governor of Virginia. During the past years members of the Dukes have participated with the All-Star Collegiate Bands for the 1984 Los Angeles Summer Olympics, Presidential Inaugural and the rededication of the Statue of Liberty. Most recently, the Marching Royal Dukes were selected as the featured band for the 1988 Bands of America Grand National Championships at the Silverdome in Pontiac, Mich., and again in 1991 at the Indianapolis Hoosierdome.

The Marching Royal Dukes have been selected as the recipient of the 1994 Sudler Trophy by the John Philip Sousa Foundation.
