This familiar announcement begins each exciting Halftime as one of America's outstanding collegiate marching bands takes the field with their spectacular musical renditions and fast paced drill maneuvers. The 325-piece Dukes have been recognized as one of America's finest marching bands. ## ABOUT JMU

James Madison University was established as the State Normal and Industrial School for Women at Harrisonburg by the Virginia General Assembly in 1908. Since then, it has grown into today's coeducational and comprehensive university with an enrollment approaching approximately 16,000 students and a faculty and staff of over 3,000. Expanding upon its 605 acres in the beautiful Shenandoah Valley, the JMU campus is home to over 100 buildings, including a new Athletic Performance Center (2005) and Biotechnology Building. Plans for a new Performing Arts facility are currently under way. James Madison University is recognized repeatedly by national publications as one of the finest institutions of its type in America.
